

SACNAS

2013 Summer Leadership Institute

Postdocs and Professionals

The SACNAS Summer Leadership Institute provides premier training for motivated underrepresented minority (URM) scientists who wish to master the skills necessary to lead institutional transformation. Developed in collaboration with the American Association for the Advancement of Science (AAAS), the Summer Leadership Institute is an intensive five-day course featuring small group exercises, keynote speakers, leadership development planning, networking opportunities, and extensive community building among selected participants.

Participants will engage in a comprehensive curriculum led by **Dr. Joseph Garcia**, Bowman Distinguished Professor of Leadership Studies and Director of the Karen W. Morse Institute for Leadership at Western Washington University. Co-facilitators are **Dr. Donna Blancero**, Associate Professor of Management, Bentley University and **Mr. Richard Weibl**, Director, Center for Careers in Science and Technology at the American Association for the Advancement of Science.
