

Senior class desires sponsors!
Warner Springs 1st Annual
Vibrant Color Fun Run!!!
• Saturday April 5th 2014

Dear Management,

I am writing to see if you and your company would be interested in sponsoring an event for our Warner Springs High School.

The objective of the fundraising event is:

To help the Senior graduating class raise money for their upcoming endeavor's. Our Senior class is fundraising for prom (at this time due to funds there may be no Prom) and our graduating class trip to Walt Disney World. Being that we are a back country school our resources are **limited** in fundraising. We have done a Halloween carnival, carwashes every Friday, dances, and bake sales. Though our small community has been as generous as they can we are still in need of **financial** help. We have decided to expand our horizons by coming into town and putting on a final fundraising event in hopes of reaching our goal. **Our 1st Annual Vibrant Color Fun Run!**

The event would be held on **April 5th 2014 a Warner Springs High School Community Center**. Your generous sponsorship would be highlighted in announcements to the community, during the introduction at the event itself and on hopefully our participants t-shirts as well as handmade posters by the senior class! You and any other representatives from your company would be most welcome to attend so that we could thank you personally for your support.

The estimated audience of 75 would benefit tremendously from your generosity. Whatever you and your company feel is a generous amount in helping us sponsor our fundraising event would be greatly appreciated. As we are trying to cover the cost of t-shirts, some prizes, color throwing powder, and goodie bags for the participants as well as food to sell. We also hope to be able to help our 6th graders in their yearly field trip as they are struggling for funds. We would be most appreciative of a telephone call to let us know of your interest. **Our teacher can provide your company with our school tax I.D. to be used for your companies' contribution and help answer all questions.** You can forward all calls to our teacher in charge **Kathy Enloe telephone number is 760-782-3517, ext. 239. We look forward to hearing from you. Thank you for considering this request.**

Sincerely yours,

**Warner Springs High School
2014 Senior Class**
